4mm ACM QuickPanel Rainscreen System
SHOP DRAWINGS

- Integrated Rainscreen
- Fire Rated Panels
- Wind Load Tested
- UV Protected
- EZ.Lock™ Trim Technology
- No Face Fasteners
- ColorMatch + ColorLock™
- Complete System & Services
Our goal with the ACM QuickPanel System was to do the impossible: revolutionize the architectural world that was dominated by tradition. That meant reimagining every element of exterior design and system delivery to make it not only lightweight, easy-to-install, elegant, and durable, but most importantly a superior integrated rainscreen. The result is more than just a new affordable attachment method. It’s the future of exterior architectural design.

The future is already here.

On-Site Installation Training & Support

EasyTrim has a full project management and on-site installation training team ready to assist in any way possible to ensure that every job goes on the wall, not only correctly, but efficiently, saving time and money.

No Charge Estimates & Takeoffs

EasyTrim has a full estimating team that can provide professional BOQ and cost estimates for you or your customers at no charge to you. Please inquire with your local sales rep or email estimates@easytrimreveals.com for more information.

Complete System & Services

Everything required to clad your exterior. When purchasing the 4mm ACM QuickPanel System everything necessary to get the system up on the wall is included as one bundle. Our motto is if we can make something easy, we do.
Color Coded Installation

Color Coded trim backplates ensure the proper piece is picked and installed on the wall in the correct place.

EZ.Lock™ Trim Technology

2-Piece trim assemblies allow everything to be measured and cut on-site eliminating the need for any off-site fabrication.

Table of Contents

QP2 Arrow Outside Corner Assembly 3-4
QP3 Inside Corner 5-6
QP4 Perimeter Starter Trim Assembly 7-8
QP5 Vertical Mainbody Assembly 9-10
QP8 Horizontal Mainbody Assembly 11-12
QP9 Soffit Termination Assembly 13-14
QP10 Horizontal Window Sill Assembly 15-16
QP11 Vertical Window Sides Assembly 17-18
QP12 Wall Penetration Assembly 19-20
QP13 Multi-Angle Inside Corner Assembly 21-22
QP14 Multi-Angle Outside Corner Assembly 23-24
QP15 Perforated Vented Soffit Plate 25-26
QP16 Vertical Termination Assembly 27-28
QP17 Corner Termination Assembly 29-30
QP19 Horizontal Compression Assembly 31-32
The contractor / builder must verify all dimensions on the job and report any discrepancy to the designer before proceeding with the work.

Drawings are NOT to be scaled. All drawings and specifications are instruments of service and the copyright property of the designer and must be returned upon request.

the job and report any discrepancy to the designer
before proceeding with the work.

QuickPanel System PROFILES:

- QP.0: WINDOW DRIP CAP FLASHING
- QP.1: CONTINUOUS PERFORATED VENTED FLASHING
- QP.2: ARROW OUTSIDE CORNER ASSEMBLY
- QP.3: INSIDE CORNER
- QP.4: PERIMETER STARTER TRIM ASSEMBLY
- QP.5: VERTICAL MAINBODY ASSEMBLY
- QP.6: RAINSCREEN FURRING SPACERS
- QP.7: CONTINUOUS METAL FLASHING
- QP.8: HORIZONTAL MAINBODY ASSEMBLY
- QP.9: SOFFIT TERMINATION ASSEMBLY
- QP.10: HORIZONTAL WINDOW SILL ASSEMBLY
- QP.11: VERTICAL WINDOW SIDES ASSEMBLY
- QP.12: WALL PENETRATION ASSEMBLY
- QP.13: MULTI-ANGLE INSIDE CORNER ASSEMBLY
- QP.14: MULTI-ANGLE OUTSIDE CORNER ASSEMBLY
- QP.15: PERFORATED VENTED SOFFIT PLATE
- QP.16: VERTICAL TERMINATION ASSEMBLY
- QP.17: CORNER TERMINATION ASSEMBLY
- QP.18: CONTINUOUS COMPRESSION METAL FLASHING
- QP.19: HORIZONTAL COMPRESSION ASSEMBLY

QuickPanel System Details

The contractor/builder must verify all dimensions on the job and report any discrepancy to the designer before proceeding with the work.

TheQuickPanel System by EasyTrim Reveals is a weather-tight and durable solution for exterior wall assembly. It features a patented design that provides superior performance in harsh outdoor conditions. The system includes a variety of profiles and components, each designed to meet specific installation needs.

QuickPanel PROFILIES:

- QP.0: WINDOW DRIP CAP FLASHING
- QP.1: CONTINUOUS PERFORATED VENTED FLASHING
- QP.2: ARROW OUTSIDE CORNER ASSEMBLY
- QP.3: HOOD CORNER
- QP.4: PERIMETER STARTER TRIM ASSEMBLY
