

January 15, 2020

Please be advised that effective March 1, 2020, pricing for both EasyTrim Reveals aluminum trim system, and QuickPanels 4mm ACM pressure equalized rainscreen system, will increase. Product pricing increases will vary by product.

All purchase orders received on or after Sunday, March 1, 2020 will be invoiced at the new price.

During the past year, EasyTrim Reveals has seen continued increases in the costs of raw materials, manufacturing, and transportation – which has resulted in this necessary action.

As always, we are committed to providing quality aluminum building products, and best-in-class customer service for your next project. We appreciate your continued support of our business and we look forward to both of our continued growth in 2020.

If you have any questions regarding this notice, please contact your local area representative for complete details.

Sincerely,

EasyTrim Reveals Inc. / QuickPanel Systems Inc.
